Exposition of the Blessed Sacrament at St. Mary's in the side chapel Monday, Wednesday and Friday, from after Mass until 2pm, and at St. Paul's on a Tuesday from after Mass until 2pm

This is a sacred space for those who would like to pray in silence before the Blessed Sacrament

In today's Lenten liturgy the woman at the well seems a marginal figure, coming to draw water alone and in the heat of the day. Her encounter with Jesus causes her to leave her bucket behind, and what had seemed so essential for life now pales into insignificance compared to the new life and healing that faith in Christ brings.

Next Sunday is SCIAF Sunday: as you know from previous years an important part of our Lenten journey in Scotland is the support we give to SCIAF, the Scottish Catholic International Aid Fund, which seeks to support some of the most disadvantaged people on our planet. It is an opportunity to sow seeds of hope and to give others a chance at life by sharing some of our own good fortune and blessings.

Further good news for this year's SCIAF appeal is that the UK Government is doubling all donations made to SCIAF before 20th May. This special collection will be taken up as you leave the church next weekend.

Further Important Information from Bishop Toal to the Clergy and People of the Diocese

In an effort to help prevent the spread of the Coronavirus the following steps will be taken in Motherwell Diocese:

- From next weekend the collections bags will no longer be passed around the church. As you enter the church you will be asked to place your donations in containers being held at the back of the church. For special collections, such as SCIAF next Sunday, you will be asked to do the same as you leave the church. *Bishop Toal asks the people of the Diocese to be as generous as you usually are.*
- The Holy Water fonts for blessing ourselves on entry to the church are to be emptied. We can still bless ourselves by making the Sign of the Cross without using Holy Water.
- The Sign of Peace will be suspended for the time being.
- We should receive Holy Communion in the hand rather than on the tongue.
- The Lay Faithful will not receive the Precious Blood while the present crisis lasts.
- All Ministers of the Eucharist, Ordinary and Extraordinary must wash or sanitise their hands before distributing Holy Communion at Mass and other Eucharistic Services and at the homes of those they bring Holy Communion to. We must all comply with this.
- Only the priest or deacon should purify the sacred vessels, paten, chalice and ciborium used at mass.
- Sacristan and others with responsibility in setting up for Mass must wash their hands thoroughly before touching the sacred vessels and the hosts to be consecrated at Mass.
- In general, therefore, I encourage everyone to take good care in regard to hygiene while participating in Church Services and other activities. It would be prudent also not to attend Mass if you are suffering from a cold or from flu-like symptoms.

Credo, the parish faith sharing has decided not to meet at the present time; further information will be given in due course.
